

LEONARDO DA VINCI'S AIR SHIP

(HELICOPTER)

By Robin Coles

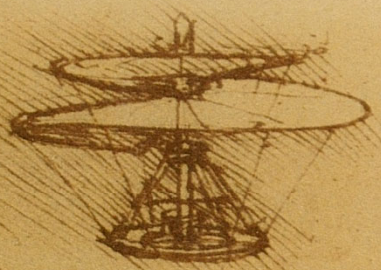

PROPORTION

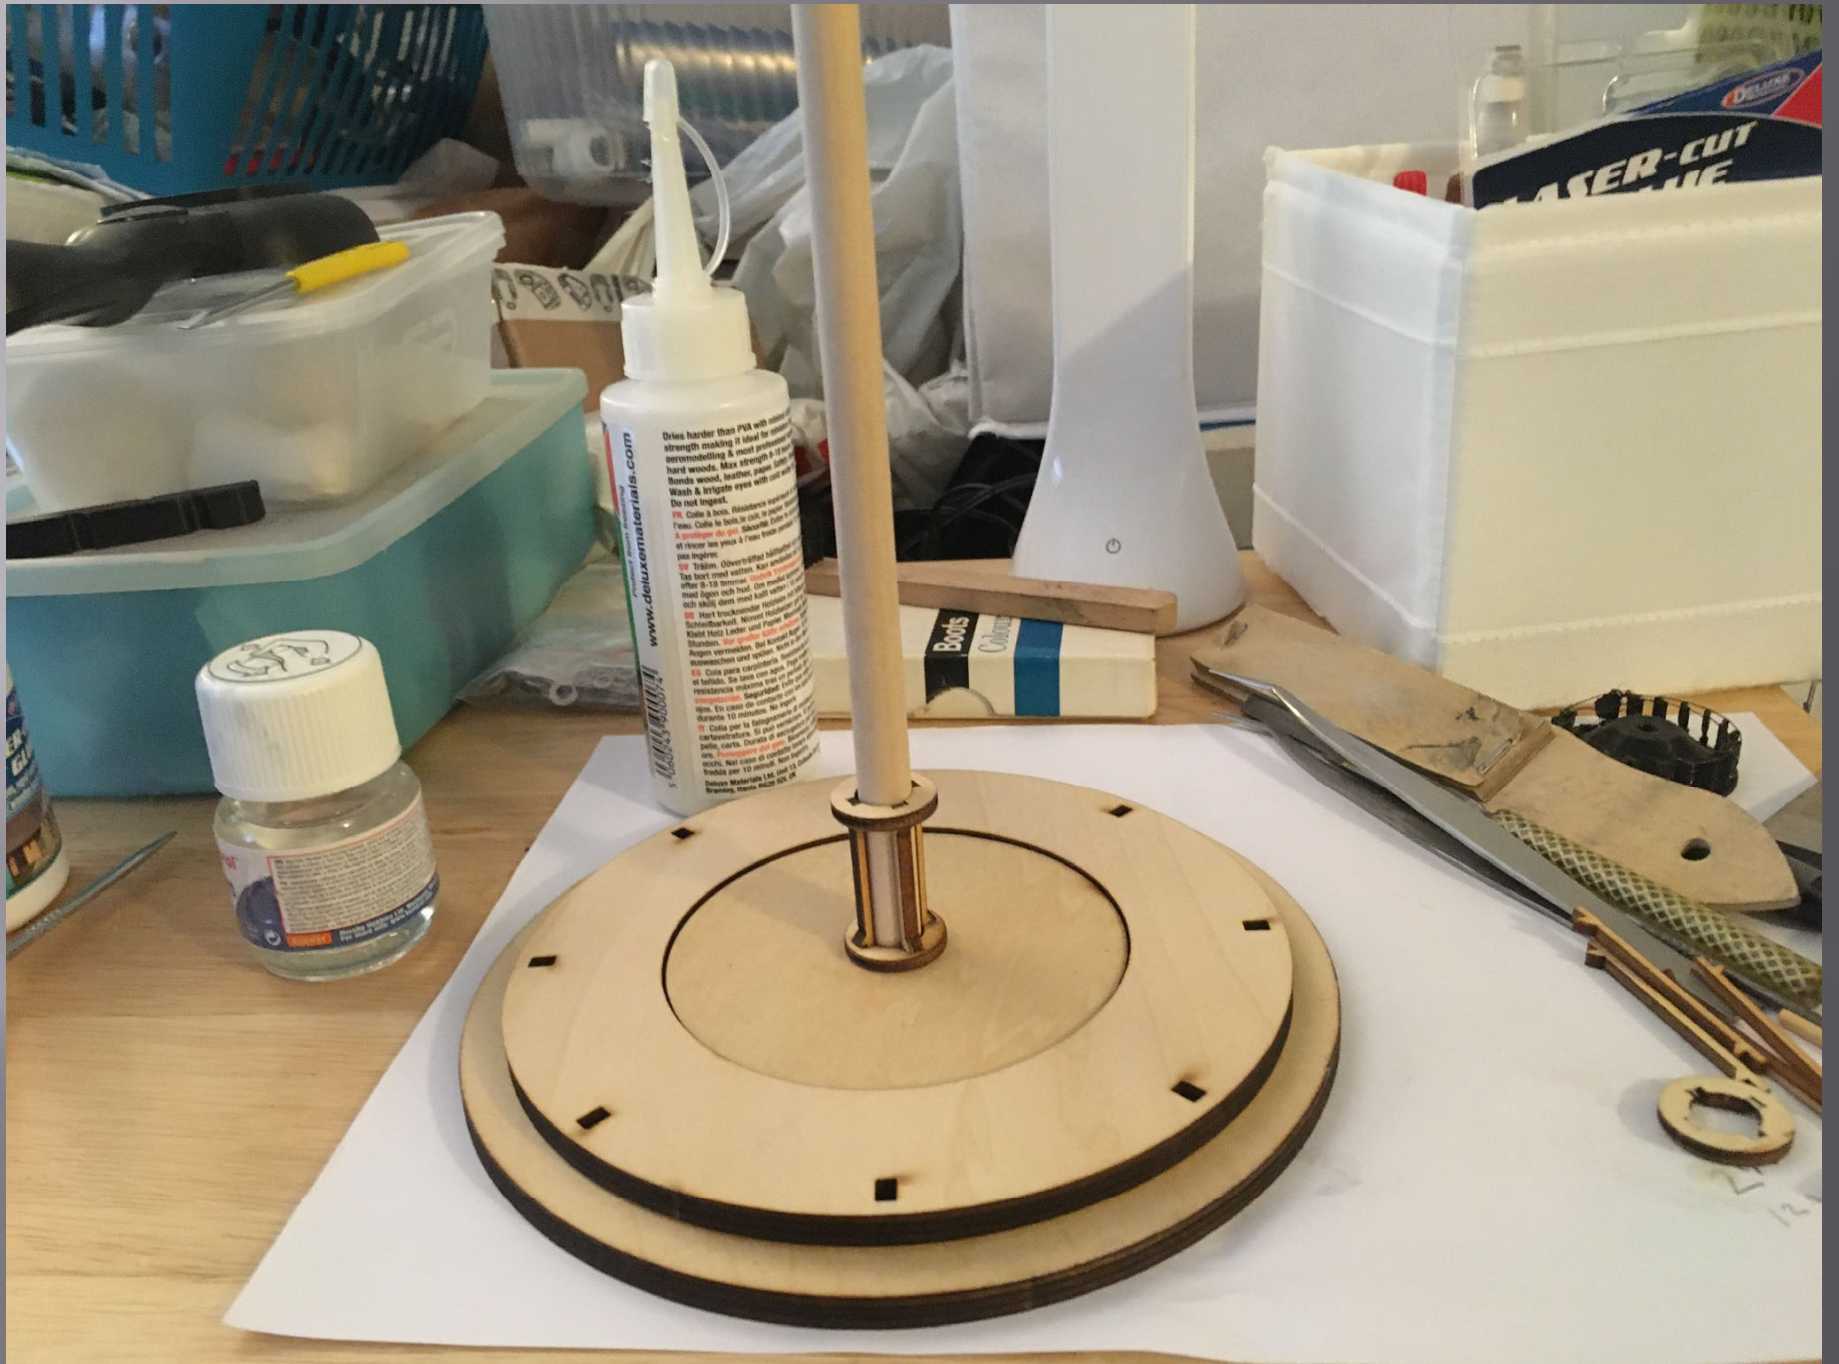

Handwritten text in a cursive script, likely a Latin or Italian treatise on proportions, discussing various ratios and their applications.

Handwritten text on the left side of the page, possibly a list or a set of instructions related to the diagram.

Handwritten text in the middle section of the page, continuing the treatise's discussion on proportions and geometry.

Handwritten text at the bottom of the page, concluding the section or providing a final summary of the concepts discussed.

LASER-CUT KIT GLUE

For clean, rapid construction of wooden laser-cut kits

Deluxe Materials Laser-Cut Kit Glue is designed specifically for the rapid construction of wood and card laser-cut kits.

Its low viscosity formula has several advantages:

- Dries clear
- May be sanded when dry
- Safe, odourless
- Water clean-up
- Penetrates, bonds & reinforces joints

Instructions: Remove sealing plug from beneath cap. Apply adhesive to joint and allow to penetrate and dry. Rest bottle tip on damp sponge between use. Wash dispensing needle, sharp. Store in a cool place but do not freeze.

Tips & storage: Should the hollow needle become blocked, heat or place into boiling water for 15 minutes.

Safety: Avoid contact with skin & eyes. Wash & irrigate eyes with cold water for 10 minutes if in contact. Do not ingest.
